You know I thought you were so naive
But you were runnin' a game on me
'Cuz baby I saw through your lies, lies, lies
When I had the world in the palm of my
hand

You never looked at another man
But when I started to slip
You said bye, bye, bye

Time has made you just a memory
Now I'm winnin' so baby if I see
You runnin' back to me – you better

CHORUS

Keep on runnin'
Don't stop runnin'
Keep on runnin'
'Cuz you can't catch me
Keep on runnin'
Don't stop runnin'
Keep on runnin'

Well ya heard I got my big break
So now you're sayin' that 'cha made a
mistake
And you wanna come back for the ride, ride,
ride
Well the word is out all over town
You're not the only girl who's chasin' me
now
Take your place at the end of the line, line,
line

Used to love you but you set me free
Table's turnin' – now you're begging me
But baby can't you see – you gotta

CHORUS

If you wanna get next to me
Don't stop runnin'
If you wanna feel the ecstasy
Don't stop runnin'
If you want it like it used to be
Keep on runnin'
So you want another chance with me
Don't stop – runnin'!

CHORUS
